

GOOD PRACTICE IN USE

PARTNER:
ADA ASSOCIATION
MONZA
COORDINATOR

Progetto: 2019-1-IT02-KA204-062272

TITLE:	BOOK'S CLUB
TARGET:	Adult people, over 60, pensioners. Teachers, Headmaster, students.
OBJECTIVES:	To improve reading competences in italian language, reflections about themselves. To improve communication skills. To prevent aging
ACTIVITIES:	Once per month, in the evening, using ZOOM platform, people meet each other. We use also a group in whatsapp. There is a coordinator who give suggestion about the name of the book that all people has to read and then start the discussion about the last book read. The coordinator, with the group, realize a sheet in which she collects all the information about the book. Usually, she gives also information and details about the writer.
TIMETABLE:	Once per month , in the middle of the month , on Monday, from September to June.

EFFECTIVENESS: MONITOR AND INDICATORS Each month we collects this indicators: Number of participants (the 80% of the people who are registered on the group participates to the club) Personal satisfaction : the 80% have to give 4/5 evaluation Number of the books suggested-number of the books read
