

Progetto: 2019-1-IT02-KA204-062272

TITLE: SPID: ACCESS TO ONLINE SERVICES IN ONE

TARGET:

Adults (Seniors +60), unemployed and employed, who reside or have their domicile in the region Friuli Venezia Giulia

OBJECTIVES:

You will be able to use online services, through the *Sistema Pubblico di Identità Digitale (SPID)*, free of charge to citizens.

ACTIVITIES:

In this workshop you will learn the functioning of the Public Digital Identity System (SPID) and its main features; then you will be able:

- to know the way of authentication and ways of access to online services offered by Public Administrations;
- to use in a conscious and safe way the applications to access public services such as registry, school or the consultation of the electronic health record;
- to acquire greater familiarity and critical thinking in the use of information technologies for work, leisure and communication.

TIMETABLE:

12 hours

EFFECTIVENESS: MONITOR AND INDICATORS

You will be part of a workshop that will allow you to "learn by doing".
You will obtain your Digital Identity.
