GOOD PRACTICE IN USE

Progetto: 2019-1-IT02-KA204-062272

TITLE: Educational excursions

TARGET: people over 60 and also younger

OBJECTIVES:

To connect our learners from different programs in Third age university.
To provide information combined with entertainment.
To increase the bond between the learners and staff.
To integrate learners into community.

ACTIVITIES:

We prepare educational excursion for our learners. Topic of the excursion is usually connected with subject matter.

TIMETABLE:

At least four times per year.

EFFECTIVENESS: MONITOR AND INDICATORS

- The bond between the learners and staff increased and because of that planning of our programs easier.
- This idea was taken over in other programs for different target groups.
- Number of senior learners increased.
